Michael Tuttle joined Clark Consulting in 2002, following its merger with Long Miller and Associates, LLC (LongMiller). He joined Long Miller & Associates, LLC in 1995 as an account manager responsible for managing client relations, service, and administration for both Corporate Owned Life Insurance (COLI) and Bank Owned Life Insurance (BOLI) programs.

Mr. Tuttle assists in a wide range of financial institutions in the analysis and successful implementation of BOLI programs. He guides his clients through a comprehensive pre-purchase assessment that tests the eligibility and risks for every plan implemented, including calculating liabilities, OCC testing, preparing financial models, assisting in board review and ensuring compliance with all regulatory and reporting requirements. Utilizing the most competitive products available, he successfully customizes a BOLI program that best suits a bank's overall objectives.

Mr. Tuttle received a bachelor's degree in Accounting from North Carolina State University. Mr. Tuttle is a member of the American Institute of Certified Public Accountants and the North Carolina Association of Certified Public Accountants. He has passed the Series 6 and 63 qualifying exams with FINRA and is a licensed insurance representative.
